Part two of this series starts off just how you want it: with scandal. Jazymn has a big secret that she is keeping from her boyfriend, Kingston, and she vows never to tell him. She's happy in love and she was able to get rid of his wife, Shanice, so all should be well...or so she thought. When Kingston finds out the truth about what Jazmyn did to ensure her happily ever after, all hell breaks loose and she is left with more than a broken heart. Kaylen has found new love after being abused and misused by the man she thought loved her. But everything with Caleb is not all peaches and cream. But it never is when you're dating a womanizer. After too many run-ins with one of Caleb's old groupies, Kaylen sheds off the business professional and brings out the ratchet to settle the matter with the side chick from hell. But, in the process, she finds out something that makes her think twice about whether what she has with Caleb is real. This discovery leads her back into the arms of Zo, who is all too ready to lick her wounds and steal her heart. After Alexis was assaulted by someone she trusted, she finds solace in a secret life that allows her to become the dominant one and inflict the pain she feels on others. Although her husband tries to love her, she rejects him at every turn. But Alexis isn't the only one with the secret life. Marc has one, too. Alexis may think she's the pampered wife of a corporate millionaire but in actuality, her husband is as street as they come.

Great Job!

3 Queens 2 picked up exactly where part 1 left off. And from the first page to the last, you will be held hostage in the world of Jazmyne, Alexis and Kaylen. 3Q2 was definitely not short on drama, mystery, suspense or jaw dropping moments. You will experience every emotion that each female is experiencing and will have you feeling as if you were transplanted into each of their lives.

We see a definite change in Alexis after her tragic moment from the last book. You will see her change into a person that you couldn't have imagined her to be. And along with her change, you'll see a different side of Marc that'll take you by surprise and definitely leave you with your jaw on the ground. Thing is.....is this a good change or a bad change....depending on how you look at the situation, it could be either...or even both. There is definitely a new dynamic to their marriage and one that will leave you intrigued by this couple; Kaylen is carrying on life as the 'only' female in Caleb's life....but will she ever be 'the only' one? She constantly finds herself asking this question. And when unforeseen situations occur, she'll be faced with one of the toughest decisions; Jazmyn is working hard to keep her secret under wraps and this task is proving to be harder than she bargained for. She does everything in her power to keep Kingston from finding out the truth about what really happened to his wife Shanice.....but is this enough?

The answers to all of these questions and more lies in 3Q2 and you will NOT be disappointed. Not to mention the twists/turns of this book that will leave your head spinning. The last 3 chapters are explosive and will have you feeling as if you just watched a movie. Porchsa's writing reflects that of a veteran and will leave you wanting more. I can't wait for the next installment to see how all this plays.
