poignant and powerful book that I would recommend to every teenager and adult

By Thomas L Pyron

I read this book the first time when I was in the 9th grade in 1971. It made such an impact on me that I never forgot it. I saw the movie on TV a few weeks back and was compelled to buy the book and read it again. It is a very touching, poignant and powerful book that I would recommend to every teenager and adult.
