CELESTIAL EMPIRE RP IN IMPERIAL CHINA*OP FROM CUBICLE 7 ENTERTAINMENT PDF

'The Celestial Empire' is an old phrase used in Classical Chinese to describe the Chinese Empire. In the original Chinese writing, the phrase literally reads 'Heavenly dynasty' - 'Large country', which renders both the size of the country and the fact that the emperor was considered as having directly been mandated by Heaven. This book is thus a historically accurate roleplaying game about Imperial China. Yet history-based does not mean boring: depending on the game master's inspiration, 'The Celestial Empire' may capture the exotic bewilderment of The Journey to the West, the virile excitement of The Water Margin, the investigative astuteness of Judge Dee, or the kinetic fantasy from Hong Kong fiction! 'The Celestial Empire' is not a 'new' game: it leverages the mechanics of time-proven Chaosium Basic Roleplaying. Any group of players may start play a mere half-hour after having discovered these rules: ten minutes to get the feeling of the setting, and twenty minutes to create a party of adventurers. Here you will also find a fully-fledged introductory adventure and several adventure seeds.

A Great RPG Sourcebook For Games Set In Historical China

By Amazon Customer

Cubicle 7 has been putting out some great content for BRP over the past few years. Better than Chaosium itself if I have to admit it.

I bought this as an adjunct to their excellent Dragon Bones sourcebook. Mystic Wuxia games and historical China are at my fingertips.

Like their excellent Rome book for BRP this one is a great sourcebook on an historical setting. Light on mechanics and big on gameable setting elements.

It isn't a complete game unto itself though, you'll need the Basic Roleplaying core book from Chaosium (if they still sell it...) or the free BRP quickstart (again, it's hard to guess where Chaosium is headed these days, I'd grab it quick if its still available).

With this, my old copy of Bushido and GURPS China I feel I'm well equipped to run an authentic-ish game of legendary Chinese heroes.
