Great Christmas Activity

By Kindle Customer Charlene

This author has a terrific style of writing. My Family has really enjoyed this book. This is a wonderful way to teach children the true meaning of Christmas and that presents are not the only reason we celebrate Christmas. I plan to buy this for several friends with children. I highly recommend this book. We will be reading it every year.

Brilliant idea!

By Kristine L. Brown

I love this idea! The easy-to-follow format is kid-friendly and would be appropriate for children of any age. Since the book has 15 days of short devotions, it will be much easier to fit into a busy schedule than a traditional 25-day Advent devotional. I also love how it ties into each piece of the nativity set, which most people already have at home. Brilliant! Going to recommend this to my mom friends.

I love this idea of a 15 day advent reading plan ...

By Betsy de Cruz

I love this idea of a 15 day advent reading plan built around getting out one piece of a nativity set each day. 15 days gives a chance for busy, less-than-perfect families like mine to actually complete the reading plan between December 1st and 25th. Each day includes a scripture and a devotional with interesting background information on the passages and questions to engage your family in conversation.
