A MUST Read Before Investing in Mobile Homes

By L. A. Morgan

I have been investing in mobile/manufactured homes for 10 years. This book got me started. When folks ask me how to get started - I tell them to read Lonnie's book!

I have had the privilege of meeting Lonnie while attending educational seminars where he was a featured speaker. Wonderful authentic person!

Above Average

By Mike Whalen

A good introduction to this field. I particularly liked the way he walked through the numbers. Have to be careful about the "note splitting" though. It's illegal in my state (WA). Otherwise a pretty good book.

Good to know

By Tina East

A good read for planning, just not the extra details. Recommend other resources to be complete. Good information to know.
