Highly recommended collection of short stories

By Sean P. Fitzgibbon

Much like its namesake, the dark and twisted short stories in Kevin Brown's *Death Roll* collection sink their teeth into you and won't let go. I'm on my second read of this collection and I suspect it won't be my last. Brown covers the range of human emotions from fear, dread, revenge, love, and jealousy in a collection of stories that come highly recommended. Don't let this book pass you by.
