DEMONS (THE RAVYN SERIES) (VOLUME 1) BY NATALIE KIEST PDF

Ravyn is a sexy young demon working as an assassin for the Vatican. A formidable fighter who relishes the battle, Ravyn is as tough as she is beautiful. When she receives her latest orders, however, she's shocked to discover that her childhood friend, Kara, has somehow ended up on the Vatican's hit-list. Though it's been years since Ravyn and Kara have spoken, Ravyn refuses to see her friend harmed, and sets out to protect Kara. Kara is a powerful witch, with talents of her own, and the growing attraction between the two women only makes things more complicated. When a betrayal comes from the most unexpected source, Ravyn must battle a foe greater than any she's ever known. Never one to shy away from a fight, Ravyn will stop at nothing to save Kara—even if it means making the ultimate sacrifice. *Demons* tells a tale of love blossoming in the middle of the battle between good and evil, and how we can survive the most terrible monster of all, heartbreak.

Maybe 2 stars

By Amazon Customer

So I got through about 3/4 of the book, but honestly just lost interest. Tons of grammar mistakes and the dialogue was really weird, never seen anything like it. It got 3 stars because the lesbian demon romance is interesting, and the overall plot a good idea. But my biggest problem was the characters, I just found them unlikeable. Ravyn was a badass, true. But that doesn't mean she had to be such a...well, such a word that my momma told me isn't polite. Seriously, I get the whole "sarcastic bounty hunter" image and it's appeal. But her character was so shallow and plain mean I couldn't like her. She's the type of person who would laugh when her former best friend is frustratedly trying to figure her out so they could rekindle their friendship.

For Kara I mostly just wanted to roll my eyes. Like, at every sentence out of her mouth, or every inner dialogue. She was so weak and gullible it almost hurt my eyes to read. Imagine *Twilight*, but Bella is Kara

and Ravyn is fangboy. At one point Kara calls her the light of her life and wouldn't know what she would do if she left again. *Cue gigantic eye roll* Plus, Ravyn left for 6 years, not telling Kara if she was alive or what. Then Kara's just like, "Oh, you left me to be tormented by the kids you once beat on, and who then wanted revenge. But you're a demon, so that makes up for it." I dunno, maybe I just went in with high expectations from all the reviews. It really was a 2.5 stars, but I like to round up in most occasions.

ahhhh a little blood...

By Sue

Well, actually there's a lot of blood. As other reviewers have stated...I couldn't put it down. The characters, especially Raven and Kara bring it to life. But I loved Raven, and i wished she loved me. She is bad....very very bad, a demon, she kicks ass all through the book. no one is safe at her deadly hands..except for Kara of course. This book is definitely on the dark side of fantasy (and I mean dark) there's a lot of brutal stuff in this one, but that's what's so great about it...it's fantasy, so let the heads roll. And where is book II, already, I want more!!

5 of 6 people found the following review helpful.

I couldn't put this one down!

By Amazon Customer

I have just finished Demons book 1. I truly couldn't put this book down until I read the whole thing! I can't wait for book 2. Until then, I think I'll just read this one again!
