This book has exceeded. All my expectations!!! The pages are so great that I can't decide what to do first.

I already have "trees at night" and plan on projecting and painting one on my living room wall"

Another winner from this author!

By doglover

This lady is on my "check for new books" list and this book is a good example of why.

Great designs...wonderful detail that doesn't require using a pencil sharpener every two strokes (I can actually use my softer pencils that won't hold a sharp point....yaaaayyyyyy!)...single-sided thick paper.
