FACE2FACE ELEMENTARY STUDENT'S BOOK WITH CD ROM/AUDIO CD BY CHRIS REDSTON, GILLIE CUNNINGHAM PDF

face2face is a six level general English course for adults and young adults. It goes from Starter level through to Advanced. The Student's Book provides approximately 80 hours of core teaching material, which can be extended to 120 hours with the inclusion of the photocopiable resources and extra ideas in the Teacher's Book. Each self-contained double-page lesson is easily teachable off the page. The Student's Book comes packaged with a free fully-interactive CD-ROM/Audio CD with over 200 exercises in all language areas, video, games, recording capability, progress chart and customised tests (please note that the Class Audio is available separately). There is also a selection of material from the Real World lessons which can be listened to on normal CD players.

Great book

By Joyce Klemm

I like using this book with my intermediate level students. It has some repetition but also a good variety of exercises.

0 of 0 people found the following review helpful.

useful, recommended by teachers of the English language

By mission mom

If you're taking class is ok to have it, if you're giving class you need the teachers book and also the cd's that are sold separately. The method is really complete and very explicit.

Once my preferred textbook

By Radovan Škultéty

When I was choosing the teaching material for a private English course in China at the end of 2006, I came across this Face2Face Elementary. It appeared as simply yet effectively organized textbook, and this first impression was later confirmed by my classroom experience. I would love to keep on using this textbook in my later courses but it is quite hard to get (in time and in reasonable quantities) here in Taiwan, for which reason I cannot compare it to the newest stuff on the textbook market either.

Note: The accompanying CD-ROM is a strong point of this set. It won the prestigious English-speaking Union President's Award for Innovation in Technology back in 2005.
