0 of 0 people found the following review helpful.

Delightful collection of old and new, popular and eclectic

By Christian Messerschmidt

This is a delightful collection of old and new, popular and eclectic tunes.

It is in the "cheat sheet" format, ie very accessible but at the same time pretty accurately transcribed.

There are some advanced songs included that go well beyond the "first 50" fingerpicking tunes a players might attempt, very worthwhile to spend the effort, though.
