About the Author

Yamamoto Tsunetomo (1659-1719) was a samurai retainer of the Saga clan before retiring to a hermitage near Saga Castle in Kyushu. This was brought about by his being legally prohibited in the 1660s from following his lord, Nabeshima Mitsushige, in death a samurai practice forbidden by the Tokugawa shogunate and the governing body of the Nabeshima fief.

This ebook is complete with linked Table of content for the collection as well as within each book.

Honor: Samurai Philosophy of Life - The Essential Samurai Collection is comprised of three of the most influential books on the Samurai philosophy of honor and life.

The Book of Five Rings by Miyamoto Musashi is a text on kenjutsu and the martial arts in general, written by the samurai warrior Miyamoto Musashi circa 1645. It is considered a classic treatise on military strategy, much like Sun Tzu's The Art of War and Chanakya's Arthashastra. There have been various translations made over the years, and it enjoys an audience considerably broader than only that of martial artists: for instance, some business leaders find its discussion of conflict and taking the advantage to be relevant to their work. The modern-day Hy?h? Niten Ichi-ry? employs it as a manual of technique and philosophy.

Hagakure: The Way of the Samurai (Ky?jitai: ??; Shinjitai: ??; meaning In the shadow of Leaves or hidden leaves), or Hagakure Kikigaki (????) is a practical and spiritual guide for a warrior, drawn from a collection of commentaries by the samurai Yamamoto Tsunetomo, former retainer to Nabeshima Mitsushige, the third ruler of what is now the Saga prefecture in Japan. Tsuramoto Tashiro compiled these commentaries from his conversations with Tsunetomo from 1709 to 1716; however, it was not published until many years afterwards. Hagakure is also known as the The Book of the Samurai, Analects of Nabeshima or the Hagakure Analects.

Bushido: The Soul of Japan by Inazo Nitobe is, along with the classic text Hagakure by Tsunetomo Yamamoto, a study of the way of the samurai. A best-seller in its day, it was read by many influential foreigners, among them President Theodore Roosevelt, President John F. Kennedy and Robert Baden-Powell. It may well have shaped Baden-Powell's ideas on the Boy Scout movement he founded. ---From Wikipedia

Most helpful customer reviews

1 of 1 people found the following review helpful.

anyone looking this copy over would be better served to purchase each book individually

By The Samurai Wolf

While I appreciate the effort taken to compile all three of these magnificent works into a single, more portable volume, the translations of these books (especially Hagakure) are riddled with typos. In my honest opinion, anyone looking this copy over would be better served to purchase each book individually. I personally prefer the editions released by Shambala Press.

Ponder and thought

By baying briars

Requires a lot of thought which was great. Gave a better understanding of the Samurai and the approach they had towards life and death.

0 of 0 people found the following review helpful.

A must have for those interested in the life and times of the Samurai.

By Crafsgt

My son's never ending thirst for knowledge is satisfied reading these books.
