Another Great Teaching Book

By Avid Reader

Suffix is a great teaching book. The illustrations help children "visualize" how a suffix changes a words meaning. The sister boo, Prefix, is another must-have book for teachers as is this one.

Great Teaching Tool

By Barb Vanderpool

I use this to teach suffixes. It is a great teaching tool, and the kids enjoy the illustrations. I also purchased "If I were a Prefix" as it was a similar product.
