MOON SWEPT: OTHERWORLD TALES OF FIRST LOVE BY YASMINE GALENORN PDF

Almost everyone remembers their first love. And so, we take a peek back at the D'Artigo sisters' first loves in three short stories. Because long before Smoky, Morio, and Trillian came into her life, Camille's heart belonged to her cousin Shamas. And before Shade, Delilah was learning what love meant from her all-too-human detective. And Menolly wasn't always a vampire...at one time, she had dreams of creating a family with a man who taught her to respect herself and never settle for anyone who tore her down.

Forbidden Love: Camille and Shamas secretly plan their future together, until his envy over her connection to the Moon Mother, and an attempt at an arranged marriage get in the way.

Im-Purrfect Match: Delilah never expected to fall for Chase Johnson. But one night, while searching for information on a man named Tom Lane, the werecat and the detective discover an unexpected attraction.

Shadows of Love: Menolly wasn't always a vampire. And once, long ago in Otherworld, a gentleman farmer taught her that she should never settle in matters of the heart.

Lovely backstories on the sisters!

Three short stories detailing the first loves of Camille, Delilah, and Menolly. We've seen that before Trillian, there was Camille's cousin Shamus but now we see why it really didn't work out and it wasn't just their family's disapproval. Next we get to read more about the start of Delilah and Chase's relationship since that happened during one of Camille's turns at narration. Lastly, we get a glimpse of what Menolly's life could have been like before she was turned into a vampire as she becomes friendly with the neighboring farmer.

It was nice to see what their relationships were before we saw them with their current, lasting partners.

3 Entertaining Short Stories

By Jessalyn

Fun stories from Otherworld. Make sure you are caught up on the series, though or you might get lost with the characters. Spoiler free as these stories take place before the actual Series, but involve characters from the books.
