Easy read and great information

By Amazon Customer

This is an outstanding text. I rented the ebook version for a graduate course I am taking. It is an easy read and chock full of useful information. I am wishing I had spent the extra money on the hard copy version to have access to online counseling learning library for extra reference. The rental worked perfectly for my class, however. Thanks so much Amazon!

Binding is poor and book damages easily

By LaTaria Johnson

Should have been a hardback book for that cost. Binding is poor and book damages easily. Have to preserve condition for use at least next three years. Hopefully it will survive excessive use. Information is excellent and is in sync with MS in Clinical Mental Health Counseling program. Should come with protective cover.
