SEDONA HIKES: 130 DAY HIKES AND 5 VORTEX SITES AROUND SEDONA, ARIZONA, REVISED EIGHTH EDITION BY RICHARD K MANGUM, SHERRY G MANGUM PDF

The best Sedona hiking guide! The 130 hikes in this edition have been totally revamped and now include a beautiful photograph for each hike. First released in 1992, the authors have worked constantly to keep this guide updated and current through this latest edition.

The very use-friendly format features each hike shown on facing pages with complete directions to the trailhead, description of the hike, photograph and map. Also included is an elevation change graph, season-to-hike chart, difficulty and mileage graph and a how-crowded icon.

Fine hiking guide but not updated for 10 years

By Richard Conant

We used an older edition and thought this was more updated. However, while it was the last edition, it was ten years old and, with all the changes in Sedona and improvements to the trails (along with new ones...) it was a bit dated. Other than that, it is still an excellent hiking guide. We were just disappointed that it wasn't more up to date.

Essential Hiking Guide

By Peasant King

This book had everything my wife and I could hope for. The information was spot on accurate and we found it very easy to plan a week worth of hikes with this book alone. This is a great resource for hiking red rock country.

Best Sedona book for those who love to explore!

By mz

This book is an absolute must have item for anyone visiting Sedona. We have found some of the most fascinating places to explore because of the information in this book. Thank you so much Richard K Mangum! Well written and easy to follow.
