The Easiset Holiday ongs Ever for Guitar: 12 Classics You Can Play With Just 3 Easy Chords
By Ruth L
I bought this fantastic book after veiwing Lisa on You Tube. I expected the book to be good because she seems passionate about making music and teaching others. This book is absolutley fantastic. I am a very new "guitar player" (I love saying that!!) and was able to easily follow and play the chords. It really helped me to turn a corner and play real songs!! I plan on playing lots of Christmas music this year and really hope Lisa continues to write and play her music and share with her fans. If you are new to the guitar or a seasoned player like my husband you will love, love love this book. We are both enjoying it and thank Lisa for writing it. We are enjoying playing familiar tunes and actually sound pretty darn good!!! This book is definatley a must have if you plan on entertaining yourself or others over the holiday!!
