## Review

“The clash of modern and classical worlds is both exciting and entertaining.” —The New York Times Book Review ?

”Riordan masterfully orchestrates the huge cast of characters and manages a coherent, powerful tale at once exciting, philosophical and tear-jerking. The best-selling series’ legions of fans will cheer their heroes on and rejoice in such a compelling conclusion to the saga.”— Kirkus Reviews (starred review) ?

## About the Author

Rick Riordan ([www.rickriordan.com](http://www.rickriordan.com)) is the author of *The Heroes of Olympus, Book One: The Lost Hero*; the New York Times #1 best-selling *The Kane Chronicles, Book One: The Red Pyramid*; as well as all the books in the New York Times #1 best-selling *Percy Jackson and the Olympians* series: *The Lightning Thief*; *The Sea of Monsters*; *The Titan's Curse*; *The Battle of the Labyrinth*; and *The Last Olympian*. His previous novels for adults include the hugely popular *Tres Navarre* series, winner of the top three awards in the mystery genre. He lives in San Antonio, Texas, with his wife and two sons.

## From AudioFile

The fifth volume of the *Percy Jackson* adventure series follows the travails of the 15-year-old half-human son of the Greek god Poseidon. The dyslexic, hyperactive teen takes on the curse of Achilles's heel, discovers newfound powers, visits the kingdom of Poseidon, and finds romance as a battle mounts against Kronos. With a touch of teenage geekiness to his voice, Jesse Bernstein is able to master Percy's sense of angst. While his voice is youthful, however, Bernstein lacks the speed and energy to allow listeners to completely suspend disbelief, and his tone lapses into a whining quality that some may find off-putting. The Last Olympian

By A Customer

The Last Olympians was one of the best books i have ever read, the storyline was perfect I felt as if I was in the book but no one could see me or hear me but I could hear everything. At school I could not even put the book down. The way Rick Riordan wrote the book i felt as if I knew the charectars my whole life. The book also generated feeling I cried at the sad parts gasped at the surprising parts and laughed at the funny parts wherever the book's feeling went my feeling went with it. I loved the book so much I even wished I could be an amazing half-blood. I got this book for my birthday but I opened it before and the whole entire week I was itching to read it. I even told my friend to read it and she loves the series as much as I do. Personally I think Riordan should write another book. This was the biggest book of them all I never think I have ever read another interesting series. Rick Riordan makes sure everyone can relate to it and he thinks about the audience alot that is the most improtant thing an author can do. I have so much more to say but I can not. I hope you all enjoy the book!Thank you.

A worthy ending to a wonderful series...

By Cory

I must admit, when I first picked up the lightning theif in preperations for my vacation last summer, it was with a thought that I might be able to use it as a excuse to not have to take driving shifts as we drove steadily eastward to yellowstone. My family knows that if I am really in a book, nothing can pull me away from it.

And so, as I desperately waited for my classes to get out, having bought The Last Olympian early that moment the doors opened at a local borders. I couldnt wait to start reading, having finished rereading book four during my lunch hour.

And I was not disappointed. Riordan has a wonderful sense of humor with a snarky edge to it. Though I usually do not enjoy books written in first person, because most authors dont get just how dangerous writing first person can be, Rick has shown a nack for choosing his words carefully, showing up a world in vivid detail, and emotional clarity. The Last Olympian is a wonderful ending to a series that had much promise, and never broke it.

To those who might be afraid I will spoil anything, I wont. I will only say this; Many twists and turns await you. In the final book of the Percy Jackson series, Rick Riordan has woven a tale, pulling all the threads together into a tapestry, with everything he had done before coming together in a epic, emotional ending... a ending that stirred my emotions in a way only one other writer, and concluding book had done, and that was Harry Potter and the Deathly Hallows by J. K. Rowling.

While their story telling and writing styles are vastly different, what they share is a thirst for a good story, red herrings to throw you off, and a ending that you couldnt fully see coming, but cant help but be moved by in the end.

I am saddened that this story has drawn to a end, but all good stories must reach their conclusions, otherwise they stop being good.

But we can hope for Rick Riordan, for I have no doubt his gift from weaving a good story has not come to a close. I will continue to look forward to his future books.

A fun read for kids and classical students!

By A. Reader

As a student of history with a love (and a minor!) in classics, and little kid at heart I loved this series of books, culminating in *The Last Olympian*--maybe the best in the series. The obvious comparison is to Harry Potter, but these books are really something different. They're a little lighter, and a little more fanciful, and just more 'colorful.' They are shorter and and just more fun with less dark overtones (imo.)

This last story brings about a conclusion to the whole saga, with one battle after another, answers all your question and even gives our heroes the accolades they richly deserve. It seems its the last one in the series and thats a little sad.
