ISBN:9780375938962 Grade 5–8—Fans of *The Hound of Rowan* (Random, 2007) will love this sequel. Those who haven't read the first book will simply be puzzled. In their second year at Rowan Academy, Max McDaniels and his roommate David Menlo, a mystic, discover that they must live with the Witches to fulfill a pact made years before they were born. To keep them and the Book of Thoth safe from the demon Astaroth and in the hands of Rowan agents, they are "kidnapped" by an ally. While on the run, the Red Branch offers to activate Max to be its newest agent. Initially, Max demurs but after dodging danger in Europe, finding his mother in the land of the Sidh, discovering his real father's identity, and having several harrowing encounters with Astaroth, he embraces his identity as the reincarnation of Cuchulain and joins as a full-fledged agent. *The Second Siege* is chock-full of magic, myth, and adventure, and has some fun and interesting characters and an intense, engaging plot. That said, without the background information from the first book, it will be hard for readers to follow.—Lisa Prolman, Greenfield Public Library, MA

It's Max McDaniels' second year at Rowan Academy, a contemporary American boarding school where students are trained to fight against supernatural foes. He and his sorcerer roommate, David, along with several others, human and non, are embroiled in a quest to stop the demon Astaroth from finding the Book of Thoth, which holds the key to all creation. As governments fall to Astaroth, Max and David travel across Europe and beyond in search of the book's location. Proud, emotional Max and frail, calculating David suffer realistic setbacks and humbling experiences that change them, while Astaroth is delightful in his sly, polite wickedness. Neff's writing is infused with history and myth, and a sense of adventure: add well-rounded characters, and this makes for a captivating read. New readers should start with the first book, *The Hound of Rowan* (2007) as this one doesn't look back, but the dark conclusion and its potential consequences will ensure an eager readership for the third. Although Neff will not escape Harry Potter comparisons, in this volume he moves into his own distinctive voice. Grades 6-9. --Krista Hutley

A fast-paced, genre-blending adventure—now in paperback!

The Tapestry series continues to weave threads of fantasy, mythology, science fiction, and mystery into a wholly original adventure that appeals to fans of everything from Harry Potter to Lord of the Rings to The X-Men. Genre-blending and fully illustrated, The Tapestry novels have caught the attention of middle-grade and young adult readers alike—and the series is only getting bigger.

In this second book of the series, grave forces are converging to seize control of the Book of Thoth, a hidden artifact whose pages hold the key to creating—or unraveling—the very threads of existence. Max McDaniels and David Menlo embark on a quest to protect the book from the demon Astaroth, who would exploit its secrets with dire consequence. And with Astaroth free after centuries of imprisonment, the world outside Rowan's gates has already become hostile.

Far from home, cut off behind enemy lines, Max and his allies must journey across Europe, descend into the fabled Frankfurt Workshop, brave the tangled corners of the Black Forest . . . and cross beyond the veils of our very world.

"After devouring this title, young fans will be clamoring for more."—Kirkus Reviews

Great sequel, fun and entertaining

By BostonReader

Wow. What a great story. For those of you who read Neff's first installment, "The Hound of Rowan", you will really enjoy this book. Right from the beginning, the story line grabs you as we find a more mature Max McDaniels using his newfound powers to get out of a tight situation. Max now has more control of his formidable physical gifts and immediately demonstrates why he is such a threat to "The Enemy". And the book doesn't slow down from there. The battle of good versus evil pitched in Neff's first book intensifies as Max, David Menlo and the rest start a quest around the world to gather critical resources to aid their fight. As the enemy closes in and starts to reshape the world around them, Max and crew must travel to Europe, relying on a network of allies to stay hidden, all while Max continues to learn more about himself, his family, and his responsibilities for the future. After a variety of toe-to-toe interactions with the enemy, a visit to Rassmussen's Workshop, the Second Siege culminates in an epic standoff in the fight for who will control earth as we know it.

This story has the epic feel of "Lord of the Rings", the youthfulness of "Harry Potter", and the sophistication and modernity of "Mission Impossible." I highly recommend this to readers of the first book and encourage new readers to pick up the Hound of Rowan to get started with this great new series.

I cannot wait for the next book to see what happens...

Brilliant Sequel

By Mind'sEye

As compellingly exciting and funny as The Hound of Rowan is, book two of The Tapestry takes the series to a thrilling and sophisticated new level. The story expands exponentially--geographically across the globe, with significant consequences for the world, and an indication of the tremendous challenges to be faced by the chosen young heroes Max and David. To meet these demands, they must grow up strong and fast, and their personal development is as fascinating as the circumstances in which they find themselves. The Second Siege is filled with exciting action, mythological grandeur, and much to think about in terms of both the formation of personal character and the larger stage of history.

Wow! I could not put it down

By Billiam

"The Second Siege" is book two of The Tapestry that takes the series to a thrilling and sophisticated new level. You become deeply involved with the two main characters Max and David as they grow and develop. You can't help but personally feel their highs and lows throughout. I am a serious Harry Potter fan but may have found its rival. This is a great book! I can't wait for the next one in the series.
