# **THEY DREW AS THEY PLEASED: THE HIDDEN ART OF DISNEY'S MUSICAL YEARS (THE 1940S - PART ONE) BY DIDIER GHEZ PDF**

The 1940s ushered in an era of musical experimentation and innovation at the Walt Disney Studios. Artists from all over the world flocked to California to be part of the magic, and their groundbreaking styles influenced such classics as Dumbo and Bambi as well as shaped the masterpieces that followed such as Alice in Wonderland and Peter Pan. For this volume, author Didier Ghez has unearthed hundreds of enchanting images—from early sketches to polished concepts for iconic features—by five exceptional artists who shaped the style of the Studio's animation during this period of unbridled creativity. With evocative descriptions and excerpts from the artists' journals and autobiographies, this magnificent collection offers a rare look at the visionaries who breathed life into some of the most beloved films of our time.

A must for all fans of animation

By Pedro Garre

Many new books published about the art of Disney animation have images already appeared in other older books. This book surprised by the hundreds of images of conceptual art never published, belonging to the Disney archives and also private collections. The documentation work of the author is very good. For more animation art book reviews enter in my amazon account. ;)

An excellent second volume to the "They Drew As They Pleased" ...

By Joseph Titizian

An excellent second volume to the "They Drew As They Pleased" series of Disney art books. It is evident

that Didier Ghez has scoured the globe to bring us so many pieces of unseen Disney art because the book presents a breathtaking collection of previously unseen art from the Disney vaults as well as from the artist's families and private collections. This volume focuses on the work of four artists (Rhetta Scott, Kay Neilson, Silvia Holland, and David Hall) and provides hundreds of unpublished images, alongside the detailed biographies of each of the artists. Among the many treasures to be found in this volume are unpublished concept art from Fantasia, Alice in Wonderland, The Reluctant Dragon and Walt Disney's first pass at The Little Mermaid from the early-1940s.

This book is an absolute must for the library of any Disney scholar as well as any fan of Disney animation and art.

5 of 5 people found the following review helpful.

A "must have" for any Disney devotee!!

By Amazon Customer

This book magnificently showcases the work of several Disney story artists and contains some of the most beautiful artwork I have ever seen from the studio, most of which I had never seen in any other publication. The text is lively and informative, not only giving insight into the artists' lives, but also insight into the creative process at the Disney studio in the 1940s.
