Undeniable passion and a spark that lights up the pages draws twenty seven year old virgin, Cat Thomas, and hot single dad, Ryder Hawkins, together in this sweet and sexy novel.

Cat Thomas is the only virgin left in River Pointe, New York. Or at least she feels that way. A moment of self doubt as a teenager made her commit to waiting until marriage before she had sex, but now she wonders if it was the worst decision she's ever made. All these years later, being a virgin is a much bigger deal, and finding 'The One' is even harder.

Ryder Hawkins is ready to escape his former life and looking for a quiet place to raise his seven year old daughter. He moves to River Pointe hoping to give his daughter the life he always wanted for her, stability, and a loving parent. He only hopes he is enough for her.

When Cat meets Ryder, she thinks he's just like every other man out there and doesn't give him the time of day. But Ryder can see Cat is different, and maybe she's the missing piece of his life that could make him feel whole again. But can he capture her attention? And will Cat give up her commitment, or will she make Ryder wait for it?

an intense, emotional read

By BestChickLit.com

If you're looking for an intense, emotional read then Mary E. Thompson's Wait For It could be right up your street.

Centred on 27-year-old Cat's unwillingness to lose her virginity until she's married, the story has a solid foundation and an array of strong secondary characters. Both Cat and Ryder (I love that name!) are decent and likeable, which makes it easier for the reader to become invested in their relationship. Although I would have liked their initial interactions to have had more of a build-up in the opening chapters, Thompson goes on to successfully create a sexual tension that fizzles off the pages as the story develops.

Feelings are given freely throughout as Cat and Ryder experience an acute pull towards one another from the start. There are no games in their relationship; it's just simply a powerful attraction they both cannot ignore, which made for a refreshing change. As you read on, you root for a happy ever after. The closing of the book is a tad predictable but will make you smile from ear to ear nevertheless.

Wait for It

What an awesome romance. Cat was so afraid to take a chance on Ryder after being hurt so many times. Ryder was a great guy, sweet and kind. The perfect match for Cat.
