Perfect Read Ages 12 & Up

By Iona

If you are looking for a book that you can enjoy reading with your children, this is it. Introduction to Land of Zorathustra and all the characters is so descriptive, you can actually picture yourself there. Fast moving plot kept my interest from start to finish. This is the first of a trilogy, can't wait for Part II.

A well thought out entertaining plot. Characters were warm ...

By Fay

A well thought out entertaining plot. Characters were warm and engaging. The land of Zorathustra vivid and colorfully alive. A must read for all ages.
